

Liverpool Learning Partnership, Liverpool CCG and Liverpool City Council's Families Programme, invite you to

Education in Mind

In Association with: **Educate**
The Magazine for Schools, Parents and Pupils

Head teachers, learning mentors, pastoral leads and chairs of governors within Liverpool-based education establishments from early years to secondary are invited to attend this one-day conference, exploring key issues surrounding mental health and emotional wellbeing in a local education context.

Date
18th October 2019

Venue
ACC Liverpool,
Kings Dock

Keynote speakers:

- A presentation from DfE and NHS England regarding their joint work to improve and support children and young people's mental health
- Wendy Gleave, YoungMinds.

Workshops: Adverse Childhood Experiences (ACEs), peer mentoring, suicide, bereavement, restorative practice, Philosophy for Children (P4C), early years and mental health, LGBTQ+, horticulture, staff wellbeing, resilience, attachment, anxiety, neurodevelopmental conditions.

Marketplace: Speak to local organisations and service providers about the support they offer to children, young people and their families in the city.

Delegate places are free but limited so please book to avoid disappointment.
